

AGUA SPA

INTRODUCTION

Agua SPA's tranquil setting evokes the elemental spirit of the territory by using both wine and olive oil, essential ingredients from Tuscany, as the protagonists of its massages and wellness rituals.

Guests can unwind with spectacular luxurious treatments such as marble bath wine immersions as well as number of advanced body and facial care therapies that incorporate natural substances drawn from selected vineyards and olive groves. Unique value lies in the renowned antioxidant properties and innovative contributions of such products to beauty, wellness and vitality.

All spa services and treatments have been developed exclusively by Dr. Vranjes laboratory, made- to-measure for Agua SPA.

Made in Florence, the Dr. Vranjes skincare line offers excellent products ideally suited for both men and women's needs, containing high concentrations of active natural ingredients, allergy-free fragrances, and are 100% free of PEG, silicon, petrolatum and parabens. A line based on simplicity and effectiveness, it is formulated with the utmost respect towards the environment.

The full range of Dr. Vranjes skincare products are also available for purchase, to continue your indulgence at home.

The spa's water zone offers a selection of facilities such as a hammam, sensorial showers, sauna, outdoor swimming pool and relaxation areas where one can admire panoramic views over the countryside.

FACIAL TREATMENTS

Regenerating and anti-stress active ingredients extracted from olives and fermented red grapes are applied for healthy, glowing skin

AntiOxidant Di-Vine 50 minutes € 80

A precious extract derived from the fermentation of red grapes penetrates deeply in the skin, softening wrinkles and contrasting oxidative stress, the main cause of aging. Enriched by a relaxing facial, cervical and arms massage, this treatment provides a sensation of freshness and brings a luminous effect to the skin.

Nutri Lift 50 minutes € 80

Anti-wrinkle, nourishing treatment with filling massage techniques and products formulated with a high concentration of natural ingredients. This treatment is designed to provide nutrition to skin cells, improving complexion, and protecting the skin with anti-oxidant effects.

Nourishing - Green Olives 50 minutes € 80

A Tuscan tradition, olives are rich of polyphenols that offer extraordinary cosmetic properties and bring moisture, elasticity and softness to the skin. The results are very effective, leaving the skin revitalized with improved hydration, reaching the deepest layers of the skin. The application is enriched further by a relaxing facial massage with fan shaped brushes.

BODY EXFOLIATION

Pleasant and aromatic scrub followed by massage for an intensely perfumed, velvety skin

Wine Essence 60 minutes € 120

An aromatic exfoliation with wine fragrance is delicately spread over the entire body and removed with hot towels. Rosso Nobile oil is then applied, followed by a relaxing and regenerating full-body massage.

Olive Oil 60 minutes € 120

A delicate exfoliation that hydrates and illuminates the skin, followed by a relaxing massage with fragrance-free natural products. Ideal for sensitive skin.

Sage, Sugar and Red Clay 60 minutes € 115

An aromatic exfoliation with sage fragrance, followed by a relaxing massage with rice and olive oil. A notable improvement in elasticity of the skin.

BODYWRAPS

Hydration and nutrition for a soft and intensely perfumed skin

Hydro Nutrient Wrap and Olive Oil Massage 60 minutes € 120

A delicate spread of oil, followed by an olive based wrap, are massaged together in order to create a velvety emulsion that brings back memories of the past, when olive oil and water were mixed as a healing remedy for the skin. After the shower, a relaxing massage will follow.

Exhilarating AntiOx Wrap and Wine Massage 60 minutes € 120

A cloud of aromatic water introduces the ritual, followed by a pleasant sensation of a warm, wine- scented wrap that is gently applied to the entire body. During the pause, a facial massage takes place using a resveratrol-enriched cream that provides antioxidant action. After the shower, the body is covered by an aromatic wine essence water that leaves the skin with an intense and perfumed hydrating veil.

FACE & BODY RITUALS

Face and body rituals for a full immersion in the aroma and flavours of the territory

Olive Oil AntiOx Elasticity 90 minutes € 165

After the spread of warm oil, a wrap is applied to the body with a relaxing massage. Whilst the wrap is left in pause for deeper absorption, the face is cleansed and a mask is applied with a fan shaped brush. After the shower, the ritual is concluded with a face and body massage with olive oil based products.

Aromatic Clay Peel 90 minutes € 150

A pleasant peel with rosemary, cypress and sage essence is massaged with warm water in order to guarantee a deep cleanse. Afterwards, a warm oil is applied, followed by a 30-minute decontracting back massage to relieve tension in the cervical and lumbar areas.

Argan and Olive Peel 90 minutes € 185

A pleasant ritual due to the applied fragrance and use of naturally derived anti-wrinkle products that improve skin elasticity. The body is wrapped in a delicate olive oil and jojoba peel that, after an energetic massage, is left in pause for complete absorption. After a curated cleanse, the anti-wrinkle and relaxing face massage takes place, activating microcirculation and increasing absorption of the argan oil. A hydromineral peel-off mask will then restore luminosity. After the shower, the ritual is concluded with a relaxing body and nourishing face massage.
